"1938" COLLECTION

- 1083 - "1938" Collection VIRTUALLY complete. The D. Davis Collection of World Wide Coins from the year 1938 including all types & mint marks. This collection was actively pursued and upgraded over 15 years. Most coins present are in high grade. A few are VG and FINE. In total 324 coins from 71 countries are included in this lot, both regular issues & commemoratives. There are no gold, patterns, or essays. About 46 coins are needed to complete this collection of which 26 are common. The following rarities are not included in this lot: Austria 5 Groschen, Brazil 2000 Reis, B.W. Africa 1/10 d 1938-H, Canadian Dollar, Cuban Peso, France 5 Francs (both types), all Germany Y-93 & 1 Mark 1938-J, British Maundy Set, Italy non-circulating set, Japan 5 Sen & 50 Sen, San Marino 10 & 20 Lire, Turkey 1 Lira & no U.S. Many of the coins present in this lot are now worth \$2 - \$20 each, although some only catalog 25 cents. This would be a hard collection to duplicate and yet enjoyable to complete or upgrade. Easily worth \$450+ which was the owners investment over 15 years on the remaining material. Inventory list with grades available for \$1. (Several of the missing rarities are offered elsewhere in this sale.) (Lots 11, 43, 103, 453, 454, 455, 457, 499, 613, 666, 894 & 977.)

END OF SALE - THANK YOU FOR YOUR BIDS

This sale concludes our series of auctions for 1975. Our business has more than doubled this year. In part, this is because we were fortunate to be awarded the auctions for the Society for International Numismatics last April and for the Missouri Numismatic Society in August. We have been realizing record prices on rarities in choice condition. Even with our expansion, we are still extending personal service to both our bidders and consignors. As yet, we are not committed for any auctions in conjunction with conventions for the upcoming year.

The support and overwhelming response from consignors has been gratifying. I am pleased to announce that beginning with this sale our commission rate on coin lots bringing over \$200 per lot has been reduced to 15%. There still will be a lot fee. Lower priced coin lots are still being charged 20% per lot plus lot fee. 25% rates still apply to ancients, literature, tokens, and medals. As we always have enough common filler material for several catalogues, we are particularly interested in listing lots that realize over \$25 per lot. Generally our minimum acceptable consignment is \$500. If there is sufficiently rare material on hand to justify it we will be issuing a catalog every 10 weeks. Lots for our February sale should be received by December 15.

Highlights of upcoming sales includes collections of coins from France, Russia, Norway, Sweden, the Swiss Cantons, Canada, the U.S. and Ancient Greece.

With postal rates set for another increase, we will be raising our subscription rates in 1976 to \$4.50 on domestic subscriptions and \$7.50 on overseas subscriptions. (Old rates apply to subscriptions and renewals received in 1975.) Recipients of these catalogues who are non-bidders, infrequent bidders and chronically unsuccessful bidders, who are not subscribers, will have to be dropped from our mailing list. We are only too happy to send our catalogue to interested coin collectors and dealers. If you are new to our mailing list, it is our policy to send only one or two catalogues before dropping your name unless you become a subscriber, bidder or consignor. Those of you receiving a subscription form along with this catalogue will generally not be on our 1976 mailing list.
